DECLARATION OF JOHN DONNELLY

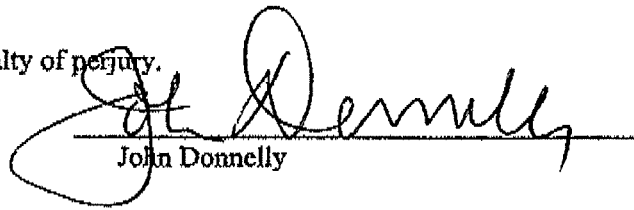

1. I am the President of Cold Forming Technology, Inc. Previously, I was the President of National Broach and Machine, Inc.
2. I make this Declaration on personal knowledge, and if called as a witness, would testify to the facts contained herein.
3. I have over 40 years experience in the automotive supply industry, including in the design, building and sale of machinery and tooling to automotive suppliers.
4. Cold Forming Technology, Inc. is a maker of tools, and has supplied Delphi Corporation and various of its affiliates (collectively, "Delphi"). National Broach and Machine Inc. manufactured machines for the automotive supplier industry. Toolmakers and makers of machinery in the automotive supply industry complement each other, and coordinate with each other in the design, build and sale of machinery and tools to automotive suppliers.
5. I am familiar with the ordinary business practices in 2004 and 2005 in the machine manufacturing and sales industry to automotive industry customers.

6. I have reviewed and am familiar with the attached purchase orders issued by Delphi to West Michigan Spline, Inc. ("WMS") and invoices dated July 14, 2005 and August 31, 2005 from WMS to Delphi.

7. In my opinion, Delphi's obligation to pay WMS was incurred in the ordinary course of business or financial affairs of both WMS and Delphi.

8. I have been advised that Delphi paid the invoices on or about September 6, 2005 and October 6, 2005. In my opinion these payments, made on MNS-2, or second day, second month, payment terms, were ordinary within the machine manufacturing and sales to automotive suppliers industry in 2005.

9. I make this Declaration under penalty of perjury.

John Donnelly
